MECHANICAL (FITTER) TRADESPERSON (Technician/Operator)

If you are an extraordinary person with an enquiring mind and hunger to learn, want to join a diverse team, be well rewarded with great salary, perks and benefits, then keep reading!

About us

- Loy Yang B is an electricity generator located in the picturesque Latrobe Valley currently supplying 20% of Victoria's power. We are owned by Chow Tai Fook Enterprises (CTFE) and belong to the Alinta Energy family, a growing and innovative energy market disrupter.
- We are focused on increasing plant performance, efficiency and flexibility and seek people who can turn inspiration into ideas, and ideas into game-changing solutions.
- We are committed to increasing workforce diversity and creating an environment where people with new ideas feel empowered to speak up and explore what is possible.
- We constantly strive to understand and meet broad community expectations relating to environmental management, health, safety and good corporate citizenship.

About the Opportunity

- Work with teams of experienced, passionate people eager to mentor top performers.
- Develop highly valued skills transferrable to other roles and industries.
- Competitive salary and other benefits. Generous superannuation, contributions above the superannuation guarantee or membership of a Defined Benefit Scheme.
- Flexible working arrangements to balance your work, life and play (base 36 hour, 4 day work week). Above award annual leave entitlements.

What you'll do

- Maintain and operate the coal fired generating facility.
- Conduct preventative, corrective and emergency maintenance of all mechanical and electrical plant and equipment.
- Undertake diagnostics and corrective actions.
- Assist in plant start-up and shut down.
- Utilise computerised maintenance management systems.

What you'll need

- Certificate III in Engineering (Mechanical Fitter) or equivalent.
- Ability to understand technical information, drawings and engineering data.
- Demonstrated high standards of competency and workmanship with a flexible work manner.
- Excellent communication skills.

If this sounds like you, don't ignore this opportunity, make sure you:

- Address the key selection criteria, and complete the standard Loy Yang B Application for Employment Form available at **http://www.loyyangb.com.au.**
- Send the completed application, key selection criteria and resume (including proof of ID and qualifications) to: Human Resources Group, Loy Yang B Power Station, Locked Bag 2500, Traralgon, Victoria 3844 or email **lybhr@loyyangb.com** by Monday, 16 August 2021.

Candidates that have not complied with these application instructions will not be considered.

Loy Yang B – powering your career!

Loy Yang B welcome applications from people with diverse cultural and linguistic backgrounds and people with disability. We will provide reasonable adjustments for individuals with disability throughout the recruitment process. If you identify as a person with disability and require adjustments to the application, recruitment, selection and/or assessment process, please advise via the above email or 5177 2268 and indicate your preferred method of communication (email, phone) so we can keep in touch and meet your needs.
